EU Type Examination Certificate

No. CE 682214

Product Specification

Product Name: 3M™ Rugged Comfort Half Mask - 3M™ 6500QL Series

Product Type: Reusable Half Masks

Models: 6501QL small size
6502QL medium size
6503QL large size

Technical Specification: Harmonized European Standard EN 140:1998

Product Description: The Masks incorporate a mechanism to enable the wearer to drop the Mask down when not in use, without removing the head harness from its position on the crown of the head. The three Masks are of the same design only differing in terms of the size of the body of the Mask.

The Masks are designed for use with a pair of the same type of 3M Filters and, where applicable, their associated 3M Filter Platforms and 3M Filter Retainers from the range specified in the Reference Leaflet for the Masks. The Filters are subject of separate CE certificates.

The Masks are also included as a component of other 3M Respiratory Protective Systems.

EN 140 classification: Half masks for use with twin filters

Packaged variants:

In addition to the products referenced on this Certificate, the standard industrial products may also be sold as market specific packaged variants. Such variants will be differentiated and the Technical File will be updated with the appropriate information.

Kits and packouts:

The products referenced on this Certificate may also be combined with other 3M products into a kit or packout. There will be no change to the product but the user information may vary. In such instances the Technical File will be updated with the appropriate information.
