EU Type Examination Certificate

No. CE 705691

Product Specification

Product Name: 3M™ Particulate Respirators.

Product Type: Filtering half masks to protect against particles.

Models: 8710E
8810
8812
8822

Technical Specification: Harmonized European Standard: EN 149:2001+A1:2009.

Product Description: The particulate respirators are designed to protect against solid and non-volatile liquid particles. The masks are held on the face by a pair of elasticated straps and some models incorporate a single exhalation valve. All models are single shift devices (denoted by the classification symbol NR) and have the Dolomite Clogging option (denoted by the classification symbol D). See the following table for model specific details.
